CONSTRUCTION UPDATES – PHASE TWO

We're continuing to make progress in our building updates, and we want to keep everyone informed about what's changing and what to expect. While construction can feel disruptive at times, our goal is to make these transitions as smooth and comfortable as possible while maintaining the daily routines you rely on.

Thank you for your flexibility and support as we move through this next phase together.

Learn more at our Resident Town Hall Meeting scheduled for 5/11/26 at 12:30 PM.
